WORK EXPERIENCE

Epsilon Campus Ambassador, Kennesaw State University

Jan. 2024-Present

- Work with Epsilon's Early Careers Team to connect students at Kennesaw State University with internship & job opportunities
- Develop an outreach plan to promote Epsilon on campus by engagement with on campus organizations, classes, professors, and campus social networks

Visual Design Intern, Epsilon

May 2023 - Present

- Work on client design projects for Horizon Pharmaceutical (KRYSTEXXA and TEPEZZA DTC) with senior designers, art directors and user interface designers
- Design enterprise website interfaces, digital static/animated banners, social campaigns, and promotional emails using Adobe XD, TAXI and Illustrator
- Participate in daily standups with copywriters, database, content strategy and account teams
- Spearhead multiple projects for email campaigns and enterprise website updates
- Engage in creative kickoffs, handoffs, and internal client reviews

Residential Assistant, Kennesaw State University

March 2023-Present

- Oversee a floor of 23 residents to provide a wholesome college experience
- Organize events to keep the on-campus community engaged and active
- Address urgent residential concerns and crisis to maintain a safe living environment

Student Assistant, KSU Center for Africana Studies

Jan. 2022-May 2023

- Provided administrative support in office and during virtual events
- Created digital promotional content e.g., flyers and brochures

- Managed social media accounts and on campus promotion

COMMUNITY INVOLVEMENT

- Member of Kennesaw State University's division of 'Color Stack'
- Member of Kennesaw State University's 'African Students Association' (ASA)
- Scouted and collaborated with vendors for KSU's Center for Africana Studies' 2022 Spring Festival

AWARDS
